in an affordable luxury style.

Composed of ten core products, the collection combines streamlined design, dimensions and construction to cost-effectively meet essential needs. Sidewell provides a classic built-in look with flexibility to adjust over time. Lending a familiar residential look to the office, pieces are scaled to optimize space in the pared-down footprint of today's private office or shared work hub.

Spacious storage

While matching cabinets offer segmented storage for documents and supplies.

Waterfall Height-adjustable Desk

It adds greater flexibility to space planning and integrates seamlessly with Via's Waterfall height-adjustable desks. Visually and functionally, the Waterfall and Siadwell series complement each other, together creating a wide range of application scenarios.

Sidewell incorporates communal lounge areas

Natural daylight, gentle textures and modular furnishings build a calm place to meet and rest.

Highly Coveted. Highly Versatile.

Refined, sophisticated design. Rich, extensive material options. Flexible, purposeful applications. Sidewell seamlessly blends style, craftsmanship and performance to support today's diverse and demanding workplaces.

Sidewell Workstation

Its pared back look works in traditional office spaces and open floorplans alike.

Sidewell Workstation

With limitless configurations, Sidewell creates a range of applications with a similar visual language—from smaller spaces to larger, more open settings. Featuring wall-mounted, panel-supported and freestanding components, Sidewell gives leaders the ability to effectively manage the changing needs of their teams while maintaining a refined aesthetic.
